

CONDUIT COUPLER

1" OR 1-1/2"

ADI PRO Conduit Couplers connect two lengths of 1" (0E-RG100100) or 1-1/2" (0E-RG15050) corrugated orange conduit, providing a quick solution for longer cable runs. Conduit snaps into each end of the sturdy PVC coupler and is held firmly in place.

FEATURES

Connects corrugated orange conduit for longer cable runs

Snap-in design provides quick, secure grip

Durable PVC construction
