THE DISPLAY

All parts and components in one ready-to-assemble bundle
- LG direct view LED panels
- 4K LG controller
- 5% Spare modules
- Spare boards and parts
- Service tool

LG webOS™
- Intuitive on-screen user interface
- Ambient-light sensor and automatic brightness adjustment

Screen sharing
- Miracast
- WiDi

Onboard CMS
- 3.6GB flash storage
- Store, schedule, playback

Mounting Kit Included
- Basic wall mount configuration for standard models*
- Precision cut specifically for each model

Trim Kits Included on Select Models
- Provides finished look around the edges of the display

THE SERVICES

On-site Field Support
- Up to 3-Days Training by an LG Field Engineer
- Educational webinar prior to installation
- Certified LG Pixel Surgeon will be on-site to remove/replace any pixels that may have been damaged during the installation process.**

3 years LG TotalCare Health Checks
- Annual on-site display health check by LG Pixel Surgeon
- Examine Pixel Health and Perform On-Site Repair of Damaged Pixels
- Inspect for Proper System Configuration and Physical Connections
- Initiate expedited priority on any needed RMA services

3 Years LG ConnectedCare System Surveillance
- ConnectedCare Solution Software subscription
- Optional LG professional remote monitoring service

Warranty Service
- 3 year limited manufacturer warranty
- Optional LG ExtendedCare warranty for up to 5 years

THE PACKAGING

LG Branded Flight Case***
- Every LG direct view LED display ships in a new, branded, wheeled flight case
- Premium-grade protection for each stunning display
- No more searching to make sure you received every box
- No forklifts or pallet jacks required, simply roll the cases in to your space

---

* Mounting kits not included with the Specialty size configurations.

** Pixel surgeon only applies for indoor installations with SMD pixel packages from 0.9mm to 3.9mm.

*** Flight case sizes and quantities may vary.
