

Cable Ties

CONVENIENTLY KEEPING INSTALLATIONS CLEAN AND EASY

Legrand offers all the cables and accessories needed to finish the job right – including the On-Q Cable Ties and Tool that keep your wires neat and secure. Handling 50 pounds of tensile strength and featuring a discreet, slip-free design, the On-Q Cable Ties come conveniently in 100-count bulk packs, in a variety of lengths and in both natural and black low-profile styles. And, with the On-Q Cable Tie Tool (AC4006), it is faster and easier to tighten and trims these ties for consistent pressure and a uniform finish. Equip yourself for truly connected homes with a supremely professional look, with Legrand.

AC4006 CABLE TIE TOOL
