GETTING THE BEST OF THE BEST DOESN'T MEAN YOU'RE BUSTING THE BUDGET. EXPLORE THESE FEATURES THAT CAN ONLY BE FOUND IN MIDDLE ATLANTIC SOLUTIONS THAT SAVE SERIOUS TIME AND MAXIMIZE SPACE.

### LEVER LOCK™ COMPATIBLE

Racks with Lever Lock™ are designed to create whole new ways to mount small devices and route cables within the enclosure.

Lever Lock™ is a series of panels and bars that interconnect horizontally and vertically in areas of the rack that would otherwise be wasted space. Use as much or as little as you need to get the job done.

- Each plate has the Patented Universal Hole pattern that is compatible with Forward tool-free accessories
- Each LeverLock™ plate and bar installs tool-free making install & servicing a breeze

### FORWARD RAIL

#### Hardware free is the way to be

Forward Rail has the threaded holes you would expect in an AV enclosure PLUS a unique square hole that unlocks the ability for all of our Forward panels, vents and cable management to be clicked in without using ANY rack screws!

- Forward rail is standard in all BGR Series

### FORWARD COMPATIBLE

Enclosures that are Forward compatible unlock a full suite of tool-free solutions. Leveraging the Patented Universal Hole Pattern and LeverLock rackrail, each of these solutions pops or drops in without the use of hardware

- Cable Management- Tie Saddles, C & D rings
- Small Device Mounting Clamp- secure small devices without duct tape or bubble gum
- Vertical Cable Management
- Utility Lighting
