

PASS & SEYMOUR®

ANTIQUE BRASS, DARK BRONZE, AND NICKEL
DEVICES AND WALL PLATES

A TASTEFUL NEW CHOICE TO COMPLEMENT TODAY'S COOLEST STYLES.

1595NTLTRABCC4, TM870DBCC10, TM873NICC10

Match or accent any modern
kitchen and bath.

Add a classic touch to any contemporary kitchen or bath with the new P&S Antique Brass, Dark Bronze, and Nickel Devices and Wall Plates. Available in switches and dimmers, as well as tamper-resistant receptacles, USB charging receptacles, and GFCI receptacles, these elegant yet understated devices are a perfect complement to modern cabinets, lighting and plumbing fixtures, and appliances.

In addition to their great looks, these new devices are designed to withstand the hard knocks of a busy household. And the uniquely constructed matching Screwless Wall Plates have a no-dirt-catching channel around the perimeter, ensuring a clean, uniform look.

P&S Antique Brass, Dark Bronze, and Nickel Devices and Wall Plates — a cool new way to complement today's hottest looks.

designed to be better.™

 **legrand**®

Same quality and durability
you've come to expect from
all P&S wiring devices.

Smooth, sleek metallic finish
provides an elegant look.

Premium finish withstands
continuous, everyday use.

Tamper-Resistant shutter
system that keeps kids
safer by keeping foreign
objects out.

1595NTLTRNICC4

H703PNICCV4

Matching wall plate enhances
clean look by hiding screws.

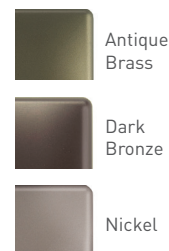

Smooth wall plate perimeter
eliminates channel that can
catch dirt.

Two-piece non-conductive
polycarbonate subplate
ensures wall plate fits
perfectly.
