

NEW Maestro® C·L® Dimmer for Dimmable CFL & LED Bulbs

Save up to \$50 per year¹
when combined with dimmable LEDs

Works with:

Dimmable
CFLs

Dimmable
LEDs

Halogen and
Incandescent bulbs

◀ NEW Maestro C·L dimmer

Benefits

- Offers more reliable dimming performance over incandescent dimmers when controlling CFLs and LEDs
- Compatible with the broadest range of dimmable CFLs and LEDs
- Multi-location dimming from up to 10 total locations with Maestro companion dimmers
- Also works with a traditional 3-way switch
- Delayed fade-to-off allows time to exit a room before lights turn off
- Matches the Maestro family of controls, including dimmers, switches, occupancy sensors, and more

Features

Digital Adjustment

- Dimmable bulb performance varies from bulb to bulb and among manufacturers
- Allows you to adjust the low-end of the dimming range based on the capability of your bulbs.

HED™ Technology

- Advanced dimming circuitry designed for compatibility with most high-efficacy light bulbs
- Allows different bulb types to be dimmed together effectively (ex: LED and halogen)

Advanced Programming

- Preset lights to automatically turn on to a pre-determined level every time
- Adjust fade time for lights turning on and off—allows lights to come on and/or turn off gradually

NEW Maestro® C·L® Dimmer for Dimmable CFL & LED Bulbs

Ordering Information

Model number*	Product name	Control type	Maximum capacity
MACL-153M-**	Maestro C·L dimmer	Single-pole/3-way/ multi-location	150 W CFL/LED or 600 W Incandescent/Halogen 120 V

* Add an "H" before last dash to order products in clamshell packaging.

** Available in gloss and Satin Colors®.

Approved Bulbs

- UL listed to work with an extensive list of dimmable CFL and LED bulbs from a variety of manufacturers:
 - Cooper Lighting
 - Cree
 - EcoSmart
 - Feit
 - GE
 - Litetronics
 - Halco Lighting Technologies
 - KolourOne, by SATCO
 - Lighting Science
 - Sharp
 - Lumapro
 - Philips
 - Samsung
 - Westinghouse
 - SYLVANIA
 - TCP
 - Utilitech

Gloss colors

Skylark® C·L
Gloss colors (coming soon)

Ariadni® C·L
Gloss colors (excluding gray)

Credenza® C·L
Black (BL), White (WH), and Brown (BR)

¹ Savings based on replacing a switch with a Lutron C·L dimmer and replacing your incandescent bulbs with dimmable LEDs. Actual savings may vary depending on use and application. A high percentage of the savings derive from switching from the incandescent to the LED. Typical residential savings are estimated to be \$24 per year. Stated savings of \$50 based on replacing (5) 65W incandescent reflector lamps (rated at 1,500 hours each, costing \$1.75 per lamp or (5) 3,000 hour halogen bulbs costing \$3.35 per lamp) with (5) 9.5 W LED reflector lamps (rated at 35,000 hours each, costing \$39.99 per lamp) and dimming for 5 hrs. per day with electricity cost of \$0.11/kWh. \$50 savings further assumes lamps are dimmed to 50% perceived light level, corresponding to 40% reduction in power level.
