

34BA85QE-B UltraWide Curved Monitor

FEATURES

EXPANSIVE SCREEN WITH CLEAR VISUALS

The 34-inch UltraWide™, 34BA85QE-B delivers a dynamic visual experience for users in lifelike brightness and a sRGB 99% color gamut, making it suitable for creative content editing. Additionally, 2PBP capabilities enable screen segmentation, while its built-in Dual Controller and KVM allow users to control multiple computers from a single set of keyboard and mouse for a more flexible workstation, for anyone in need of multitasking capabilities.

STREAMLINED CABLING TO WORK EFFICIENTLY

With single USB Type-C™ cable¹ connectivity, the 34BA85QE-B supports up to 90W of laptop charging while simultaneously transferring data, and can be connected to a variety of devices² to free up desk space at work, making it the ultimate hub for working efficiently.

COMFORTABLE WORKSTATION

The 34BA85QE-B features custom tilt, height, and swivel adjustments to optimize screen positioning and provide a comfortable workstation environment for those who spend many hours focused on the screen. Its integrated speaker system and headphone jack allow for video conferencing without the need for additional devices to further improve efficiency.

SPECIFICATIONS
