

DA-WM4100

Wall Mount

DURABLE AND SLIM WALL MOUNT SOLUTION

The DA-WM4100 is a dedicated mount designed for stable wall-mounted installations. Constructed from EGI (Electrolytic Galvanized Iron), it provides excellent corrosion resistance and long-term structural integrity. The ultra-lightweight 0.13kg design enhances installation efficiency, while the white finish ensures seamless integration with various environments. Its compact dimensions allow for flexible deployment even in space-constrained locations.
