

CX-DA800/810 Series Battery Powered Door Alarms

UL10B/UL10C
ULC-S104,
Miscellaneous Fire
Door Accessory

Camden CX-DA800 Series Exit Alarms provide an instant audible and visual alarm indication of unauthorized exit or entry of mechanically secured doors.

Camden CX-DA810 Series Door Prop Alarms provide an audible and visual alarm indication of mechanically secured doors being held open for more than a specified time.

The alarms are offered in a choice of grey or black, in either indoor or weatherized outdoor models. A mortise cylinder with two keys is included. These alarms are compatible with the widest range of industry-standard cylinders, ensuring maximum flexibility and integration with existing masterkey systems.

MORE FEATURES

BEST VALUE

Features

- **CX-DA800 Series Exit Alarms:** Alarm will sound immediately upon door opening
- **CX-DA810 Series Door Prop Alarms:** Alarm will sound when door is propped open for a selected time. When 'Door Chime Mode' is activated, door alarm will immediately chirp 4 times when door is opened.
