

125 kHz PROXIMITY CARDS & CREDENTIALS

BradyPROX™ Cards

BradyPROX™ cards offer similar quality and are comparable to the most popular HID® brand prox cards. They are a smart, affordable card option that can be personalized with any standard PVC printer.

- Faster delivery: usually programmed and shipped within 48 hours**
- Lifetime manufacturer warranty*
- Printable card material (regular or composite) for PVC personalization
- Most industry standard formatting options available for easy integration with door access control systems.

*A BradyPROX card has a limited lifetime warranty due to any manufacturer defect for the lifetime of the card.

**48 hour lead time is for 100-1,000 cards. Lead times vary as volume increases.

2-day lead time for up to 1,000 cards. Part numbers shown are for HID compatible 26 bit format H10301. Additional formats available.			

UBand™ PROX

The applications of a card, the convenience of a wristband

Use our UBand wristband as a replacement for an access card in a system that doesn't require visual identification. Unlike cards, which need to be carried in a pocket or on a lanyard, UBand remains attached to the user naturally, increasing the likelihood of use while decreasing the likelihood of loss or theft. UBand is waterproof, sweat-proof and can stand up to the rigors of everyday use.

- Standard UBand Prox Wristbands are available in black and blue.
- Additional colors and customization with a logo, graphic or text are available upon request. MOQ for custom orders is 100 pieces per color, per size, and per design/logo, with a lead time of five weeks.

125 kHz Proximity UBand Specifications			
Item #	Description	HID Compatible Format	MOQ
UBAND-BLK-PRX-26	Black 26 bit UBand	26 bit H10301	100
UBAND-BLU-PRX-26	Blue 26 bit UBand	26 bit H10301	
35 and 37 bit formats are also available.			
All parts are available in three sizes: small (6"), medium (7") and large (8").			
MOQ is 100 per color, within that different sizes can be ordered with a min of 25 per size.			

BradyPROX™ Key Fobs

Same access as big-brand fobs at a lower price!

The BradyPROX™ key fob is a cost-effective solution for access control. This plastic key fob performs the same functions as a standard proximity card, meaning it can serve as a convenient, affordable replacement for proximity cards.

- BradyPROX cards and key fobs are compatible with certain 125 kHz HID®-brand cards and fobs, allowing you to seamlessly switch to BradyPROX and save money in the process.
- Our plastic key fobs ship quickly; orders of up to 1,000 fobs will ship within 5 days!
