Hardwired Power

Nonstop power.
Nonstop protection.

Wired Doorbell 2K keeps you plugged into your front door through constant hardwired power. Never miss a moment and see everyone who stops by through Retinal 2K with up to 6x Enhanced Zoom. With Motion Detection, Night Vision, and more, peace of mind is just a tap away.

Play Video

Retinal 2K

Super clear. Built better.

With Retinal 2K, you're not just seeing more – you're seeing clearer – day and night.

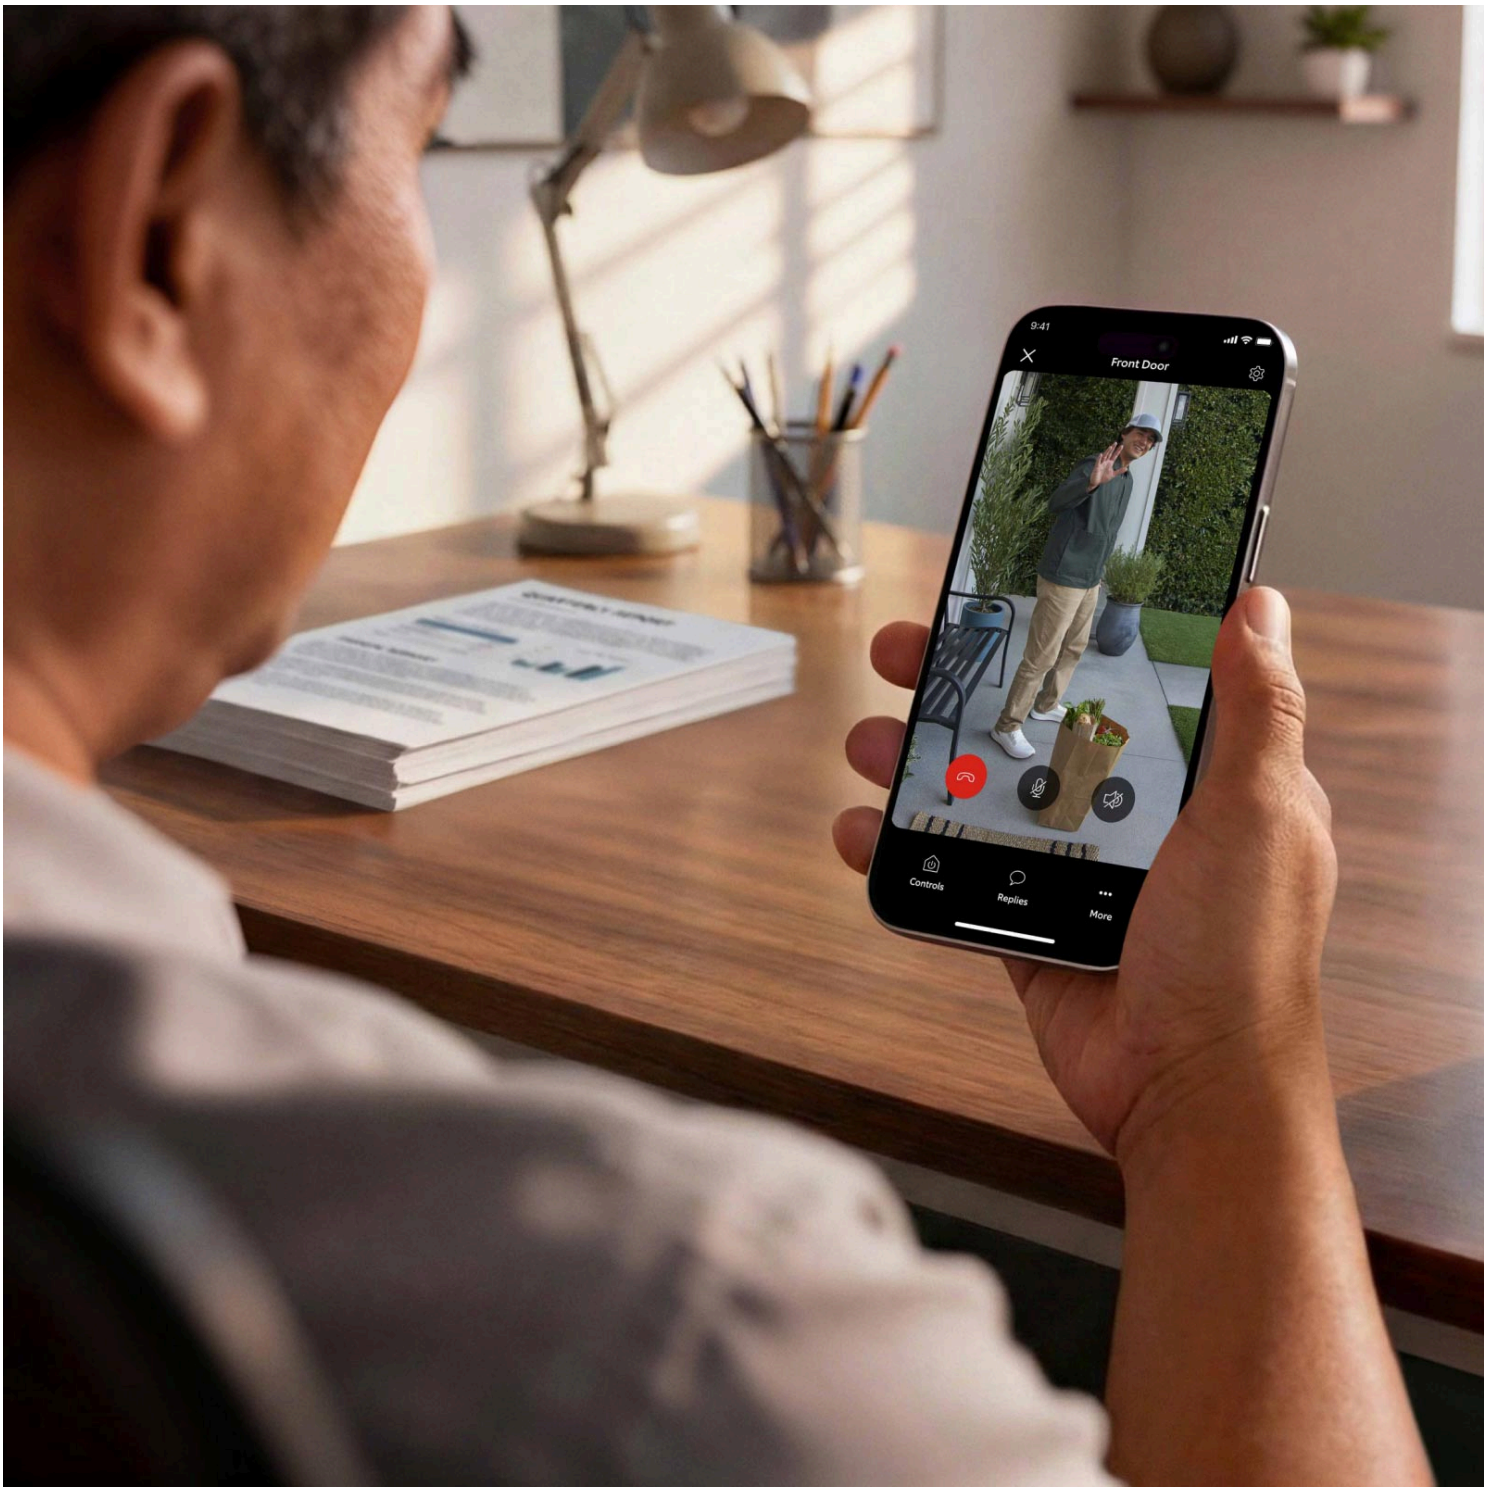

At Ring, we don't just offer great resolution, we tune our cameras for clarity and low-light conditions – performance hardware and powerful processing working seamlessly together. The result? Crisp, true-to-life video from your property to your phone.

Head-to-Toe Video and 6x Enhanced Zoom

Catch visitors, packages, and everything that matters.

See more of who stops by and check in on package deliveries down low with Head-to-Toe video. And with up to 6x Enhanced Zoom, you can stay close to all the action that happens at the front door in real time.

Live View and Two-Way Talk

See, hear, and speak in real time.

Stay connected to everything that happens at the door with Live View and Two-Way Talk. Greet visitors, catch deliveries, and shoo off intruders – right from your phone.

Motion Detection

Get alerts that matter.

Receive real-time motion alerts sent straight to your phone and know exactly when someone stopped by your door.

Install it yourself. Or leave it to the experts.

Follow our step-by-step setup guide in the Ring app, or book a pro to let us take care of the install for you.
