- 27-inch UHD 4K (3840 X 2160) IPS
- DCI-P3 90% (Typ.) with HDR 10
- 1000:1 Contrast Ratio
- USB Type-C® (90W Power Delivery)
- Flicker Safe & Reader Mode
- Multi-Interface
- LG Switch app

Visual clarity that elevates detailed workflow

27-inch UHD 4K (3840 x 2160) IPS Display | Anti-glare |
DCI-P3 90% (Typ.) with HDR10 |
3-side Virtually Borderless Design

The 27BU650B features a 27-inch UHD 4K (3840 x 2160) IPS display with DCI-P3 90% (Typ.) color coverage, HDR10 support, and a 1000:1 contrast ratio — delivering precise, consistent image reproduction across detail-oriented and data-intensive workflows. The 3-side virtually borderless design supports focused viewing and clean multi-monitor configurations in shared or individual workspaces.

Enhanced productivity with streamlined workflow

USB Type-C® (90W Power Delivery) | HDMI | DisplayPort |
5W x 2 Speakers | LG Switch app [1)]

USB Type-C® connectivity delivers up to 90W Power Delivery, maintaining a single-cable connection between laptop and display to simplify setup and reduce desktop clutter — a practical advantage for hot-desking and mobile workers. A multi-interface configuration accommodates a range of devices, and built-in 5W x 2 speakers provide integrated audio without the need for additional peripherals. In addition, the LG Switch app allows users to easily manage display settings and organize on-screen layouts, improving productivity across daily tasks.

Optimized for sustainability, comfort, and accessibility

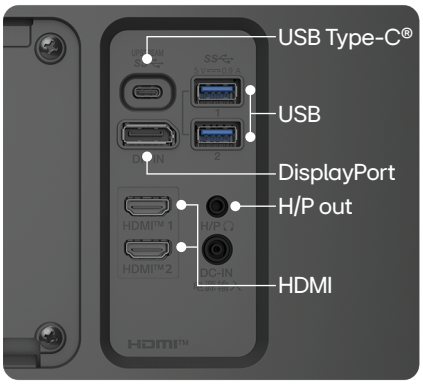

EPEAT [2)] | Reader Mode | Flicker Safe | Ergonomic Stand |
Color Weakness Mode | Super Resolution+

EPEAT registration reflects the product's alignment with recognized environmental standards, a consideration for organizations with sustainability procurement criteria. Flicker Safe and Reader Mode work together to reduce screen flicker and lower blue light emission, designed for eye comfort. The ergonomic stand supports height, tilt, and pivot adjustment to suit individual working posture, an important factor in shared or multi-shift environments.
