resideo

Hybrid systems: VISTA® residential and light-commercial family at a glance

A proven security and life safety platform that's highly flexible and scalable, offering a wide selection of hardwired and wireless sensors, numerous user interface options, and support for automation capabilities.

FIRST ALERT® | Honeywell Home | resideo

VISTA-15P: With up to 32 zones, this workhorse is a proven solution with a massive installed base that's ideal for residential and small- to medium-business installations.

VISTA-20P: Expands to 48 zones and two partitions to meet the needs of larger residential and light-commercial installations.

VISTA-21iP: All the power of VISTA-20P with integrated communications, including a built-in internet communicator and an optional snap-in radio.
