Business TV

BEHX-H series (NA)

TV, redefined for business

Built on the trusted performance of a consumer TV, the Business TV BEHX-H is optimized for a wide range of business environments. From cafés and boutiques to pharmacies, clinics, and retail chains, it delivers stunning UHD picture quality that captures attention and elevates your space. Combined with practical tools like the Business TV App and VXT, you can easily create, schedule, and manage promotional content—no extra hardware or complex systems needed. Smart, simple, and purposefully designed to support your business every day.

Key features

Samsung Business TV App

Available on Android or iOS mobile device, users can remotely create, manage and display customized content effortlessly.

4K resolution

Make out the small details in every scene. 4K UHD resolution has 4x more pixels than regular FHD resolution creating sharp, ultra-realistic images.

PlayLock

Lock your TV with a pin-code system, preventing unauthorized users or outsiders from tampering with the screen. This minimizes the chance of unforeseen accidents, while ensuring that only the content you have selected is played.

Samsung VXT

Effortless content management and remote device management — all possible on a single, secure, cloud-based solution platform.

*VXT must be purchased separately.

*The feature's availability may vary by region.

*For BEHX-H series, VXT S Series plan is only available.

SmartThings Pro

SmartThings Pro connectivity enhances convenience, safety, and energy efficiency across various business settings.

*Some features' availability of SmartThings Pro may vary by models and require additional subscription plan.

Samsung Knox Security

Your privacy is now secured on Samsung TVs. Your sensitive data are protected by multiple layers of software and hardware. Also, Samsung Knox Security secures the home IoT devices with TV, automatically blocking unauthorized apps and phishing attempts. Lastly, Samsung's dedicated security team helps keep your TV safe with regular updates.

*Samsung Knox Security applies to Samsung TVs powered by Tizen®, launched since 2015.

*Security software update is provided for three years from product launch.

*Latest software update is required.
