**TURING**

### Introducing the Turing Secure Together Program

Bridge your own cloud enablement journey with a complimentary Smart Series NVR and AI license.

**Get your own business on the fast track to better security.**

Select partners can enjoy a complimentary Turing Smart Series NVR with Turing Vision Core AI license.

Perfect for protecting your building or facility and as a demonstration for your customers.

**Key Benefits of the Secure Together Program:**

- ✓ Easy installation
- ✓ Connects to third party ONVIF compliant VCA cameras
- ✓ Award winning VSaaS - Stream, view, playback and manage all from a centralized platform on any device
- ✓ Demo it in action to customers
- ✓ Provide us valuable feedback on enhancements or success
