

DESIGNED TO HELP YOUR BUSINESS GROW

VIVOTEK Premium Partner Program, also known as VPP, is specifically tailored to assist our channel partners, comprising of dealers, resellers, and system integrators, in achieving growth and success. With a dedicated focus on our partners' continual success, we are steadfast in our commitment to provide the necessary resources, services, and margins to enable our channel partners to uphold a competitive edge for sustained long-term growth.

Through our collaborative efforts and unwavering support, we aim to bolster our partners' capabilities, empowering them to thrive in their efforts and to contribute to the collective growth and prosperity of our network.
