

Wireless Systems: ProSeries Security and Life Safety At-A-Glance

ProSeries is a professional, next-generation security and life safety system for residential and small business installations. With a modular design and seamless hardware and software, ProSeries offers more efficient, customized installations and a great user experience. It also features proven life safety, advanced smart home capabilities — including a built-in Amazon Alexa, and technology that makes takeovers and upgrades easier than ever. ProSeries helps you win more business, keep your customers longer and drive more profits.
