

# Network Switches

## Assortment Summary

### UNMATCHED RELIABILITY AND SEAMLESS INTEGRATION

UltraTech network switches deliver high-performance packet forwarding and smooth data transfer to support video surveillance, alarm and access control applications. Choose gigabit PoE or Ethernet switches for 10/100/1000 Mbps speeds. Managed gigabit PoE switches are also available, offering enhanced traffic management capabilities with advanced L2 features.

PRODUCT	PART #	DESCRIPTION
L2 Managed PoE Switch	0E-8PRTMAN*	<b>10 Port Gigabit:</b> 8 PoE ports, 2 Uplink ports, 20 Gbps switching capacity, 6kV surge protection, 19" rack mountable, QoS, VLAN and IGMP
	0E-24PRTMAN	<b>28 Port Gigabit:</b> 24 PoE ports, 4 Uplink ports, 56 Gbps switching capacity, 6kV surge protection, 19" rack mountable, QoS, VLAN and IGMP
Unmanaged PoE Switch	0E-4PRJ45SFG	<b>6 Port Gigabit:</b> 4 PoE ports, 2 Uplink ports, 12 Gbps switching capacity
	0E-8P4POEGIG	<b>8 Port Gigabit:</b> 4 PoE ports, 4 Uplink ports, 16 Gbps switching capacity
	0E-9P8POEGIG	<b>9 Port Gigabit:</b> 8 PoE ports, 1 Uplink port, 18 Gbps switching capacity
	0E-9P8POEGB2	<b>10 Port Gigabit:</b> 8 PoE ports, 2 Uplink ports, 20 Gbps switching capacity (Replacement for 0E-9P8POEGIG)
	0E-16POE250W*	<b>18 Port Gigabit PoE Switch:</b> 16 PoE ports, 2 Uplink ports, 36 Gbps switching capacity, 6kV surge protection, 19" rack mountable
	0E-24PRJ45FG	<b>26 Port Gigabit:</b> 24 PoE ports, 2 Uplink ports, 52 Gbps switching capacity, 6kV surge protection, 19" rack mountable
	Unmanaged Ethernet Switch	0E-4POE2UPLK
0E-8P65W4POE		<b>8 Port Fast:</b> 4 PoE ports, 4 Uplink ports, 1.6 Gbps switching capacity
0E-5PGIGUN		<b>5 Port Gigabit:</b> 5 Ethernet ports, 10 Gbps switching capacity
0E-8PGIGUN		<b>8 Port Gigabit:</b> 8 Ethernet ports, 16 Gbps switching capacity
0E-16PGIGUN		<b>16 Port Gigabit:</b> 16 Ethernet ports, 32 Gbps switching capacity
0E-24PGIGUN		<b>24 Port Gigabit:</b> 24 Ethernet ports, 48 Gbps switching capacity
PoE Accessories	0E-15WPOEINJ	<b>Gigabit PoE Injector:</b> 15.4 watts PoE
	0E-30WPOEINJ	<b>Gigabit PoE+ Injector:</b> 30 watts PoE
	0E-POE1GEXT	<b>Outdoor Gigabit PoE Extender:</b> 328' distance, 25 watts PoE, IP67 rated
	0E-IPOC	<b>IP Over Coax Transmission Set:</b> IP AV, data and PoE over coax, 3,000' distance, 21 watts PoE at 330', 100 Mbps over 1,200'

\*Available in US/PR only
