

# Nest Audio

Amazing sound.  
At your command.<sup>1</sup>

[Infosheet](#)

## It's all about sound.

- Music on Nest Audio is 75% louder with 50% stronger bass than Google Home.<sup>2</sup>
- Tone automatically adjusts to suit the content that's playing, whether speech or music.
- Volume for spoken word media adjusts to cut through background noise.

## Music here. Music there. Music everywhere.

- Group speakers, displays, and even Chromecast-enabled TVs on the fly using stream expansion to create multi-room audio.<sup>3</sup>
- Pair two Nest Audio speakers for synced stereo sound.
- Use stream transfer to move music from speaker to speaker with your voice.<sup>4</sup>
- Broadcast a spoken message to every Google Nest speaker and display in your home.
- Make hands-free calls with just your voice using Duo calling.<sup>5</sup>

## Huge help around the house.

- With Nest Audio, Google learns your most common music, smart home, and productivity commands, and responds faster over time.<sup>6</sup>
- Stream music, podcasts, and radio from a range of platforms including YouTube Music, Spotify, and Sirius XM.<sup>7</sup>
- Command thousands of compatible smart devices.
- Just say "Hey Google" to get started.

## Thoughtfully designed. Environmentally sound.

- 5 colors, soft curves, and a compact size.
- With an enclosure made from 70% recycled plastic, Nest Audio is the environmentally sound choice.<sup>8</sup>

<sup>1</sup> Nest Audio requires a Wi-Fi network, a nearby electrical outlet, a Google Account, and a compatible mobile device. Minimum OS requirements are available at <https://support.google.com/googlenest/answer/7035987>

<sup>2</sup> Measured from 40-16 Hz at max volume.

<sup>3</sup> Compatible smart devices required.

<sup>4</sup> Stream transfer can happen via voice (US only) when targeted to specific devices (not rooms)

<sup>5</sup> To make calls, you and the person you're calling must both have a Google Duo account.

<sup>6</sup> US-only feature.

<sup>7</sup> Subscriptions may be required for certain content.

<sup>8</sup> Enclosure consists of fabric, housing, foot, and a few smaller parts.
