

Accelerating solution sales.

Channel Partner Program.

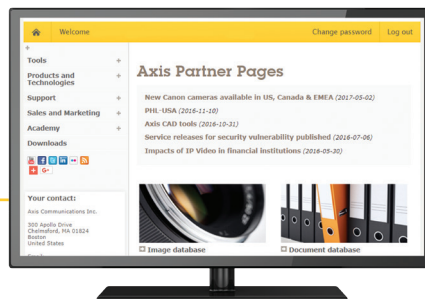

In today's performance-rewarding environment, it's easy to lose sight of the value of true partnership - of trust, commitment and of actively supporting others. At Axis, we believe that opportunities increase when you help others win. That's why we actively work alongside and empower system integrators, value-added resellers (VARs) and installers to accelerate solution sales.

Your portal to success

Access to sales and technical support including latest product releases, end of life products, price lists, product comparison guides, and more

Simple to use design tools to help build custom solutions

Enhanced lead sharing capabilities

Track purchase orders and projects

Not for resale demo product management

Projects over \$10k in MSRP are available for special pricing.

Partnership benefits

Three levels of partnership are designed to foster mutual success and reward our partners' investment in the sale of Axis products. Joining the Authorized Partner level is easy – with minimal requirements and a number of benefits to get you off to a highly successful start!
