## Request to Exit

Provide a convenient way to add authorized access control to a variety of applications. Options for standard, pneumatic or electronic timed.

**Standard Features** (all models):

- Lifetime warranty
- UL294 listed
- Custom labelling available
- Custom finishes available

**Standard Buttons:** With square or rectangular push buttons.

## TS-2, TS-3, TS-4, TS-5

- 1-1/2" switch depth behind plate is shorter than competitor models
- SPDT
- Available options to include: switch output, custom button colors, labels and screening, and plate finishes
  - TS-2: 2" Square Green, "PUSH TO EXIT"
  - TS-3: 2" Square Green, "PUSH TO EXIT", 1/2" Red LED
  - TS-4: 2" Square Green, "ADA Symbol"
  - TS-5: 2" Square Green, "ADA Symbol", 1/2" Red LED

## TS-7, TS-9

- Single gang or narrow 1-3/4" stainless steel wall plate
- 5/8" x 7/8" green rectangular push button labeled "PUSH TO EXIT"

**Electronic Timer Version:** Provide a convenient way, in standard applications, to keep the door unlocked for a specified amount of time. The door will relock when the relay time has expired.

## TS-2T, TS-3T, TS-4T, TS-5T

- Timer delay adjustable 2 to 45 seconds
- 2-1/2" switch depth behind plate is shorter than competitor models
- Available options to include: switch output, custom button colors, labels and screening, and plate finishes
  - TS-2T: 2" Square Green, SPDT, "PUSH TO EXIT"
  - TS-3T: 2" Square Green, SPDT, "PUSH TO EXIT", 1/2" Red LED
  - TS-4T: 2" Square Green, SPDT, "ADA Symbol"
  - TS-5T: 2" Square Green, SPDT, "ADA Symbol", 1/2" Red LED

**Pneumatic Version:** Provide a convenient way to keep the door unlocked for a specified amount of time. The door will relock when the relay time has expired. Ideal for specialized applications.

- Adjustable pneumatic time delay 2 to 60 seconds
- Custom plate finishes, labels and screening available

## TS-14

- Single gang stainless steel wall plate with green mushroom push button labeled "PUSH TO EXIT"

## TS-15, TS-16

- Single gang or narrow 1-3/4" stainless steel wall plate
- 1/4" push button with guard ring

## TS-21RPN

- Single gang stainless steel wall plate
- Extra-large 2-1/2" mushroom push button labelled "PUSH TO EXIT"

## TS-60

- Single gang wall plate with 430 stainless steel finish
- 2-1/2" extra-large red mushroom push button engraved "PUSH TO EXIT" in white letters

## Vandal Resistant

Designed for indoor, outdoor, commercial and industrial applications.

## TS-10, TS-11, TS-12, TS-13

- Vandal resistant 3/4" push button, plate screened "PUSH TO EXIT"
- Momentary action switch
- Available with timer relay for timed access applications
- Custom screening available
  - TS-10: Single gang, DPDT, "PUSH TO EXIT", red and green LED status indicators, add "302" to part number for weatherproof option
  - TS-11: Narrow 1-3/4" wall plate, DPDT, "PUSH TO EXIT", red and green LED status indicators
  - TS-12: Single gang, DPDT, "PUSH TO EXIT", add "302" to part number for weatherproof option
  - TS-13: Narrow 1-3/4" wall plate, DPDT, "PUSH TO EXIT"

## Panic, Lockdown & Emergency Release

**PBL, PBM, EB Series:** Emergency panic stations to quickly call for assistance and provide immediate and reliable egress. Options for latching or momentary action switches.

- Available in a number of configurations, plate finishes and widths

**TS-25, TS-26:** Provide effective means of securing an exit door while providing egress during an emergency.

**GBS-1:** Provides immediate unlocking of perimeter and interior doors to provide egress during an emergency.

## Panic, Lockdown & Emergency Release (continued)

### DE-1 Delayed Egress Timer

- Alarm will sound with unauthorized door entry
- 2 second nuisance delay
- Key switch reset and relock (optional auto reset)

## Under Desk

Concealed under desk push buttons for front/desk reception or hard to wire areas to discreetly control locking devices.

### TS-18, TS-19, TS-20

- Surface mounted push button, with guard ring, to operate switch contacts
- TS-18, TS-19 with momentary action switch; TS-20 with alternate action switch

## Push Plates

With hardwired switches designed for automatic door activation and request to exit applications in high traffic areas.

**Vandal Resistant:** available in a number of different finishes and engraving. This series offers a bezel design and relief behind the plate for increased security.

## PN, PT, PS, PD Series

- PN narrow stile plate for mullion mounting
- PT T-style plate
- PS single gang plate mounted on single gang electrical box
- PD double gang electrical box
- Machined from solid aluminium with engraved text and anodized finish
- Tamper resistant mounting

**Jumbo:** Pneumatic time delay options available.

## JP Series

- Heavy duty 5-1/2" square steel push plate
- Mounts on standard two gang electrical box
- Time delay adjustable between 2 and 60 seconds
- For pneumatic models, depth behind plate is 2-1/4"

## Accessories

Weather resistant back boxes and covers provide added protection for outdoor locations.

- Add "302" to a part number, except TS-2-5, to convert standard part to weather resistant part.
