

CAPTURE CLOUD VMS ACCOUNT CREATION FORM

Capture Cloud VMS is an exclusive brand of ADI Global Distribution and is powered by our partners Eagle Eye Networks. In order to become eligible for this service, Customers must already be an ADI customer with an active ADI Account, as well as an active Capture Cloud VMS Account prior to purchasing Capture Cloud Hardware.

To create an account, please fill out and submit the following form to ADI Services at ADIservices@adiglobal.com | or via phone call at 631-692-1586 or 516-577-2027:

Customer Business Name	
Customer ADI Account Number	
Customer Admin First and Last Name	
Customer Admin Email Address	
Customer Admin Phone Number	
Customer Admin Billing Address	

Monthly Cloud VMS and Storage Subscription charges will be sent to the Customer Information entered on this form.

Once this information above is shared with ADI Services, customer will then receive an email prompt to register and activate their Capture Cloud Account. They will be required to create their username and password and accept T&Cs.

Once we receive confirmation the customer has created a Capture Cloud Account, equipment purchasing will be enabled for this customer based on the shared information.

Please contact ADIservices@adiglobal.com or call 631-692-1586 if you have any questions.
