Before Class:
Ready Made Resources to Prepare Lessons Effortlessly

A wider variety of pre-made multi-subjects resources and integrated third-party apps help educators prepare interactive teaching materials easily and quickly before the class.

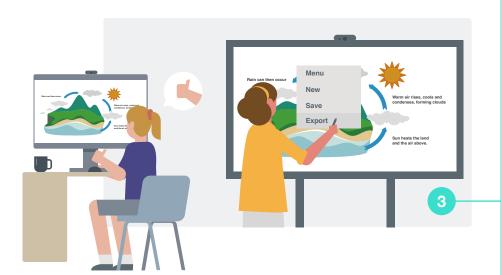

During Class:
Perfect for Real-Time Collaboration During Class

Every student gets a voice. Optoma Solution Suite brings collaboration and connection tools to classroom, encouraging students to actively engage and interact, whether in class or via remote login.

After Class:
Review & Access Materials After Class

Students can access all the teaching material on cloud-based Whiteboard whenever they want. Learning won't stop after class.
