EDGE+

The Turing Edge+ cloud cameras offer true direct-to-cloud video security without the need for any additional peripherals. Edge+ cameras include onboard storage, analytics at the edge and in the cloud, and 1 year of Turing Core Premium.

- Cloud VMS Included
- Smart VSaaS event search & clips w/ included 1 Year Premium Core
- Direct-to-cloud without the need for NVR or Bridge
- Onboard microSD storage included
- **3-Clicks, Fastest Installation on the Market**
